EXAM 4 Learn with flashcards, games, and more — for free.

## WebAssign

Online homework and grading tools for instructors and students that reinforce student learning through practice and instant feedback.

## Dougherty, Mr. | Science / BIOLOGY: Enzymes

Enzymes have an active site. This is part of the molecule that has just the right shape and functional groups to bind to one of the reacting molecules. The reacting molecule that binds to the enzyme is called the substrate. An enzyme-catalysed reaction takes a different 'route'.

## Mrs. Agar: Biology & Environmental Science

Welcome Biology and Environmental Studies students and parents! Materials: Biology R - you will need a spiral notebook\*, a 3 ring binder OR folder to store papers, writing device of your choice and a great sense of humor!! \*I like students to take notes in a spiral notebook that will become their "Biology Central" notebook.
