Marriage

Marriage, also called matrimony or wedlock, is a socially or ritually recognised union between two people, also called spouses, that establishes rights and obligations between them, as well as between them and any resulting biological or adopted children and affinity (in-laws and other family relations through marriage). The definition of marriage varies around the world not only between ...

Counterculture of the 1960s

The counterculture of the 1960s was an anti-establishment cultural phenomenon that developed throughout much of the Western world between the mid-1960s and the mid-1970s. The aggregate movement gained momentum as the Civil Rights Movement continued to grow, and would later become revolutionary with the expansion of the US government's extensive military intervention in Vietnam.
