7 Reasons Why You Should Study Architecture | Architecture ...

im abt 16 yrs old turning 17 and im taking up bs-architecture.... well, yes its very fun to study architecture. I passed my major subjects like theory of arch., design, visual technique, graphics... but there is only 2 subjects that im afraid that i failed and that is math (college algeb and trigonometry) i know its part of architecture but i think i will fail my course.

How to determine population and survey sample size?

1 In some quantitative research, stricter confidence levels are used (e.g. the 99% confidence level) 2 To put it more precisely: 95% of the samples you pull from the population.. Build your survey now. Calculate your own sample size using our online calculator . Related Articles. Sample size calculator; The importance of socio-

demographics in online surveys

List of Horizon episodes

Horizon is a current and long-running BBC popular science and philosophy documentary programme. Series one was broadcast in 1964 and as of August 2018 is in its 54th series. Over 1200 episodes have been broadcast (including specials) with an average of 24 episodes per series during the 54-year run.
