## **Trim Healthy Mama Book Review | Gwen's Nest**

Trim Healthy Mama Book Review. So, let's first take a look at this book. To start, it's 650 pages. But don't let that discourage you! It's written by two sisters (both avid health and wellness researchers) over a 5 year period, and it does not read like a college level nutrition textbook. Although [bctt tweet=" it probably contains more information and common sense than a standard ...

### **About me : Manger**

Ever since I was a little girl I have been deeply passionate about food. My childhood was largely spent scurrying between the restaurants of Hong Kong, where I grew up, and the bistros of Paris and the south of France where we spent our holidays at my French grandmother's.
